- <https://github.com/sufuk>
- Kocaeli/Istanbul
- +905303290033
- sufuk@ieee.org

Education:

- Istanbul Commerce University Electrical-Electronics Engineering 3th Grade

Technical Skills:

- C Programming Language(Intermediate)
- Python(Selenium, OpenCV, PIL)(Intermediate)
- GNU Linux(Arch Linux, Ubuntu, SystemCtl)(Expert)
- Ruby(Jekyll, Bundler)(Beginner)
- Embedded System Design(Arduino, STM32)(Intermediate)
- GNU Make (Beginner)
- Electronic Design(Autodesk Eagle)(Beginner)
- Siemens PLC(Beginner)
- HTML(Beginner)

Social Skills:

- Folk Dances
- Violin
- Camping
- Skiing
- Yoga

Employment:

- IEEE Istanbul Commerce University Student Branch Executive Board Vice Chair(2019-Present)
- Volunteer Instructor at IEEE ICU Student Branch (GNU Linux) (March 2020)
- Volunteer Instructor at IEEE SAU Student Branch (GNU Linux) (December 2020)
- PROSMH Machine (Electrical Workshop / R&D Intern) (August 2020)

Languages:

- English (Professional)

Certificates:

- IEEEXtreme Turkey Camp Coordinator
- Mehmet Ali Kağıtçı Innovative Designs Project Competition Participant Award

Technical Interests:

- Machine Learning
- Image Processing
- Artificial Intelligence
- Microprocessor Design
- Hardware Drivers For Embedded Systems
- Electrical Panels
- Electrical Motors
- Electrical Machines
- Development of IDE's
- Development of Compilers
- Operating System Development, and so much more...

Personal Information:

- Age: 20
- Driver License: B-A2
- Place Of Birth: Kayseri
- Place of Residence: İstanbul Maltepe
